**UK.** Scorpio Distributors was named Best Inflight Agent/Distributor at the 2011 Airline Retail Awards last week, while its recently launched subsidiary – JamPacked – won 'Best Inflight Food or Beverage Product' for its new range of Nuba Cocktails.

The awards were presented at the Airline Retail Conference (ARC) Gala Dinner, which was sponsored by Scorpio Distributors, on 30 June.

The Best Inflight Agent/Distributor award was voted online by delegates attending ARC in the run-up to the conference. The Best Inflight Food or Beverage Product award was based on nominations received on the first day of the conference, which was held at The Brewery, London.

Scorpio Group Sales & Marketing Director Richard Kennedy said: "We're absolutely delighted to have won this award. Knowing that it has been voted for by our customers here [at the ARC] makes it very worthwhile and a great boost for the team."

The Nuba range of cocktails from JamPacked is made to classic recipes with no preservatives, additives or artificial sweeteners, and the selection includes Cosmo, Mai Tai and Mojito.

JamPacked Brand Manager Janice Hockenhill said: "The reception to Nuba here today has been absolutely fantastic and to win this award is the icing on the cake. It's a really positive start for the brand."
